

ALTA COLLECTION

A New Collection of Tripods, Camera Bags, and Heads from Vanguard

ALWAYS | LIKE NEVER BEFORE

Introducing the **ALTA** *COLLECTION*

Inspired by photographers and outdoor enthusiasts around the world, the Alta Collection was created based on extensive, in depth research and the utilization of the most advanced engineering programs to date.

With the Alta Collection Vanguard aims at improving the photographer's experience, by offering individual products that can also be used in combination with other Alta items. Featuring the "Alta Link", exclusively provided by Vanguard. This collection introduces the best performance and design in tripods and bags, while offering a range of products that cater to DSLR, drone and mirrorless camera gear.

ALTA is already a global award-winning collection showcasing new features and innovations that provide freedom to push your creativity limits!

About Vanguard

Vanguard is a global company that designs and manufactures tripods, bags, sporting optics, and accessories. For over 30 years, our drive to disrupt mediocrity and our commitment to innovation has allowed us to create the highest quality products for photographers and outdoor enthusiasts at an affordable price.

Total product ownership - from idea to finished product - for unmatched quality control. Growing into a global leader since its founding in 1986, VANGUARD provides more than our competitors because we are the factory. There are no third-party factories, development or design firms or other outsourcing of any kind in the process. More than 1,000 Vanguard employees create the products and power the brand within our

robust global operation. Every step of the process is orchestrated by Vanguard's in-house R & D, production, administration, marketing and sales teams, in Vanguard owned and controlled facilities. This enables us to ensure standout product quality and to eliminate middle men." The result is money savings for customers, higher margins for retailers and greater efficiency in direct communication with the manufacturer for everyone.

Across the World

Vanguard is truly a global brand with design and manufacturing headquarters in Guangdong, China, and distribution, sales, marketing and administrative branches in the U.S., Luxembourg, Spain, Germany, United Kingdom, Japan and, soon, Beijing. From these locations, Vanguard team members collaborate closely to ensure a consistent, efficient global operation.

Every day, hundreds of thousands of photographers rely on Vanguard tripods, monopods, ball heads, bags and cases. Tens of thousands of outdoor enthusiasts appreciate Vanguard's premium binoculars, spotting scopes and related goods that bring them closer to nature.
