/AMBASSADORS

PAWEŁ TARNOWSKI

PRO OLYMPIC WINDSURFER

Paweł Tarnowski is a Polish windsurfing champion, and an Xtorm ambassador. He is multiple Youth European- and World Champion and part of the Polish Olympic Sailing Team. Paweł always goes for maximum performance, even under difficult conditions. Xtorm has the same philosophy, especially with the Xtorm Xtreme series - which is why Paweł loves our products.

XTORM IN RETAIL

Xtorm products are a huge success in Europe. As a reseller you can profit from this success. We offer our resellers the following interesting advantages:

- high-quality products;
- attractive margins;
- reliable delivery from stock;
- efficient service;
- input for newsletters, folders, displays;
- POS materials;
- online campaigns;
- etc.

POWER SOLUTIONS

Xtorm is the number one brand in the field of innovative, mobile power solutions. We offer market affordable, user-friendly consumer products that store back-up energy. Some of our products can even be charged by solar technology.
