XTORM RETAIL

BUSINESS SOLUTIONS

Xtorm products are a huge success in Europe. As a reseller you can profit from this success. We offer our resellers the following interesting advantages:

- high-quality products;
- attractive margins;
- reliable delivery from stock;
- efficient service;
- input for newsletters, folders, displays;
- POS materials;
- online campaigns;
- etc.

POWER SOLUTIONS

Xtorm is the number one brand in the field of innovative, mobile power solutions. We offer market affordable, user-friendly consumer products that store back-up energy. Some of our products can even be charged by solar technology.
